PRESIDENT'S REPORT

It is a pleasure to present on behalf of the Committee, the 2021/2022 Annual Report for the Gepps Cross Cricket Club Incorporated. The start of the season we were faced with new challenges including increased Covid restrictions, ad-hoc lock downs, and in January the commencement of the 'new normal' where Covid impacted our community. In spite of these unusual circumstances, our players, coaches and parents did an amazing job to manage positive cases as best as they could, and luckily we weren't affected too badly in terms of being able to field teams each week.

I am extremely proud of the efforts of all of our 22 teams who played each week. Congratulations to the LO5 team for winning the club's only Premiership for the season, what an awesome result. To the LO1 side who made the GF against a strong Rockets side, well done on a strong season. To the 2 under 16 teams and the coaches Mick and Scott, well done for making the grand finals, it was incredible to watch both of our teams play in grand finals in close proximity at Park 25 on the same day. The win wasn't to be but I'm proud of the way all of our players handled themselves in some trying conditions.

To Matt Clarke's under 12's team, congratulations for making the U12 Div. 1 NEJCA grand final. It was a great season and an amazing achievement for making the grand final in such a hard division. The win wasn't to be but we are so proud of all the players.

Thank you to all of the coaches who each week turned up for training and games and contributed to getting kids playing cricket. Your leadership, coaching and support is much appreciated, and the club could not run without your dedication to 6 months to cricket each year. A big thank you also to the wives, partners and families of our coaches for supporting them and us through the year.

Thank you to all the parents who volunteered through the year. Without you, the club would not run so successfully, we have shared many good times and laughs and we are lucky to have such a great bunch of parents at our club.

A big thank you to our Senior Men's Coach Daniel March, who led a group of enthusiastic coaches in our club, who were all volunteers. Dedicating time to coach a sporting team is a big commitment, and I give the biggest applause to you all.

ANNUAL REPORT

Speaking of Daniel, I congratulate him for being awarded Life Membership for 2021/2022.

Daniel's achievements at Gepps Cross are many and varied, including B2 Premiership 2006/2007, A1 T20 Premiership 2006/07, A1 Player, Club President, Club Secretary, Senior Club Coach, A3 Premiership Coach.

Congratulations Daniel, your impact to the club especially in the last 2 years has been fantastic.

Winning a premiership in year 1 of coaching, culture building, social media extraordinaire, we thank you for your valued service to the club.

Thank you to Alexandra Korn for captaining the Women's' team, and to Alex and Olivia Comini for driving the recruitment of Women's players for the season. The women's team had some challenges with loss of players and we came up against some quality opposition from other clubs. Well done to all players for coming out every week, trying their best at training to improve skills and having fun. Also a big thanks to Darryl Hogan for coaching the women's team last year, the players were very grateful for the coaching provided and improved every week.

We were very proud of our ATCA Award winners. Its always fantastic to have individual performances recognised against the competition. The award winners and other club members celebrated with a dinner function held at the Arkaba Hotel. Thank you to ATCA for an enjoyable event to celebrate the incredible achievements across the year.

Well done to

ANNUAL REPORT

I would also like to congratulate the following junior players, who all played their 100th junior game for the club this season. To play 100 games at any club in any sport is an achievement, however to do so in a junior format is a magnificent achievement. I'm proud to say I've been able to see you grow into capable, skilled cricketers, but also well rounded, respectful young men. Well done to

Samuel Schooley
Logan Percy
Harsha Torgal

This year we hosted the following functions and get togethers, which were truly enjoyable events. We strive to foster community involvement for people of all ages. If anyone would like to be involved in planning any events for this year we welcome all suggestions

Thanks Ant for your counsel, many many conversations and all you have done to keep the club operating - Enjoy this family time and we will see you in 3 years ready to take on the Junior Blasters :)

A big thanks to our Secretary Danica McMillan, along with Daniel March who prepared this Annual Report, and to Shane Hatch for preparation of the financial reports and all treasurer activities. And to our other committee members, - Craig, Jonty, Bec and Jason, thanks so much for everything you have done this year. COMMUNITY PARTNERS REPORT

The club is extremely fortunate to have strong support from many generous and loyal community partners, who play a vital role in securing our present and long-term viability. The biggest thanks to Northgate Sports and Community Club. To Club Manager Kym Flanagan, President Brenton Strain and the committee, we extend our thanks for all your support during the season. An extra big thanks to the bar and kitchen staff who are always fantastic. We work together with Gepps Cross Football Clubs in order to support players across both sports, and ensure our club is a great place for kids, their parents and adult players. Thank you in particular to Adam Vitler, Shaun Flanagan and Kane Somerville for all your support and collaboration.

We thank the Port Adelaide Enfield Council staff and Councillors who help us with curating our pitches and ovals, looking after our facilities and helping us to become a better club by providing excellent opportunities to grow and learn through the Port Adelaide Enfield Sport Network. We thank Paul Zimny - Active Living Leader and Steven Marafioti - Sport and Recreation Club Managers. A thank you to Northfield Ward Councillors - Mark Basham, Matt Osborne and Hannah Evans. We are very pleased that the 2022 Annual Report has provisions for planning / initial costings for a renovation to our club rooms to become more inclusive. This has been budgeted for season 23/24, and will be a welcome improvement and progress towards inclusivity.

We would also like to thank our current MP for Enfield ward, Andrea Michaels and her staff. It was incredible to have a pledge of \$750000 promised in the March state election from the Labor government towards improving our clubrooms, and we look forward to the results of this in our upcoming renovations .

COMMUNITY PARTNERS REPORT

Thank you to Toni Carellas, Principal, Tim Davey - Teacher and Cricket Coach and Rachael Weiland at Roma Mitchell Secondary College. This was our second year of partnering with the school in differing ways, from the students using our nets and facilities for cricket training during the day, to us giving 15 scholarships (full cricket fees paid) for 15 Roma Secondary College Students in 21/22, donating cricket equipment to the school, and our teams using the school oval / wicket for our games on weekends. We look forward to continuing the partnership next year.

We thank South Australian Cricket Association, in particular previous Competitions Manager Oliver Graham (now with SANFL), current Competitions Manager Michael Spry, Club Officer Tiffany Finlay, Female Pathway Leader Taryn Williams, and Club and Association Officer's Jess Riley & Rachel Heywood. The administrative and regulatory support and guidance is always excellent, concise and relevant. Thank you for always answering any questions and striving to grow our great game. Our associations who govern and administer rules, guidelines, fixturing and everything in between - thank you so much for what is often a very smooth relationship between the club and association. David Heyzer at ATCA and Vicky Venning at NEJCA, we thank you for everything you do to administer the competitions.

SENIOR COACH REPORT

Season 2021/22 was always going to be a season of consolidation for the senior men's program having moved up grades in both A grade and B grade from the following season.

Like all team sports we had times where the novel coronavirus caused challenges and disruptions, particularly in regards to pre season as well as team selection at times. This was no different to our competition.

The A grade saw the retirement from two day cricket of Adam Antrobus, Ashley MacDonald and Ollie Barnes, who were key members of the team in seasons prior.

However the addition of Sajjad Haidari at the start of the season was beneficial as well as leading wicket taker Vishrut Pandit and Harry Singh joining mid season. this has set us up for a good 2022/23.

The B grade was a bit of nursery with alot of our young players and juniors battling for spots. To see the development and growth of the young men in this team is really exciting for what the future holds for the club.

Limited overs teams:

Our LO1 side played finals however fell in the semi final , it was great to see more of the team at training nights and integrating into the club over the season.

LO3's on paper looked like they were world beaters in that grade lead by Adam Antrobus, but a slow start to the season left them short of being able to make a finals push

LO5's went through the season undefeated and won the clubs only premiership for 2021/22

LO7's pushed all the way till the end for a finals birth but just missed out on getting the chocolates. Justin White winning the association bowling trophy was a great success for the club.

SENIOR COACH REPORT

2021/22 is now firmly in the rearview mirror as we have already commenced pre season training for 2022/23. A year of change, different challenges but also a better cricket program for the players to get the best out of themselves come Saturday.

We are excited about several of our successful under 16's side joining the seniors on a permanent basis for the coming season as well as a few new recruits.

I feel our culture is strong and this year will be one of the biggest in the clubs history with us fielding 8 senior men's teams.

Lets get after it.

WOMEN'S CRICKET REPORT

Season 2021/22 was a bit of a roller coaster but an enjoyable one. After fielding 2 sides in season 2020/21, unfortunately a number of players decided to play elsewhere or have the season off, meaning there was a mad scramble a month out from the season starting to even fill one side. Thank you to Alex Korn and Olivia Comini whose recruiting meant we were able to fill that side. Alex herself, despite her limited cricket experience, took on the role of captain and performed the role as if she was a seasoned campaigner.

The season started off strong with a massive 86 run victory against Adelaide University. Highlights included a magnificent all round performance from Jenna Maloney (74* & 3/12) and an outstanding one handed catch running back with the flight of the ball from one of the new players in Kylie Willcourt.

Another outstanding performance just 2 weeks later was from inaugural women's player Shannen Solly who took 5/8 to help keep Woodville South to a score of 32.

Unfortunately from there it was a tough slog where we came up against sides with ex state players and strong grade programs, which proved too tough for our girls who couldn't match it with that sort of experience. Having said that the girls enjoyed themselves from the first ball of the game to the very last.

Thank you to those who came along and supported/helped along the journey, and a massive thank you to the committee for their commitment to the women's game.

As we are heading towards season 2022/23, we would like to welcome new coach Tony Adams who has a vast amount of coaching experience both here and abroad and is hugely passionate about the growth of women's cricket. All new and returning players are invited to join us for our come and try sessions on Friday 19th and 26th August at Megacourts (18-22 Albert St Windsor Gardens) from 6pm.

Bring on Season 2022/23
